OFFICE OF THE DEAN

September 11, 1978

Dear Josh,

It was a real pleasure to have you join us for our Opening Day Exercises last Wednesday and I hasten to thank you for participating in the program. Your presence and your remarks made it clear that the "three corners" concept will indeed provide exciting opportunities from which we will all benefit.

With warm regards.

Sincerely,

A handwritten signature in cursive script, appearing to read "T. Cooper".

Theodore Cooper, M.D.
Dean
